JESUS’ FEEDING of the FIVE THOUSAND
“DO YOU BELIEVE IN MIRACLES?”

Matthew 14:13b. 14. But, when the multitudes heard it, they followed Him on foot from the cities. And when Jesus went out He saw a great multitude; and He was moved with compassion for them, and healed their sick.

Matthew 14:16 – 18. But Jesus said to them, “They do not need to go away. You give them something to eat.” And they said to Him, “We have here only five loaves and two fish. He said, “Bring them here to Me.”

Out of the compassionate heart of Jesus Christ, this passage of scripture shows us that Jesus is aware of the needs of the masses of people … even those that are “following Him.” In their following of Him, He saw their need and was moved with compassion and healed them.

Think on and identify your own personal needs from the following items:

Identify YOUR PERSONAL WEAKNESSES (mentally and emotionally)
Identify YOUR LONGINGS (your deep heart desires and dreams)
Identify YOUR AILMENTS (physical)
Identify your HURTS/DISAPPOINTMENTS
Identify your FEARS (what worries and troubles you mentally)
Identify any past unresolved REGRETS
Identify your “NOT ENOUGHs” of life
Identify WHERE DO YOU NEED A MIRACLE

YOUR NEED IS THE DOORWAY TO GOD’S HEALING & MIRACLE WORKING POWER!
As Jesus cared for the multitudes, He cares for you, too!

Matthew 14:16 – 18. But Jesus said to them, “They do not need to go away. You give them something to eat.” And they said to Him, “We have here only five loaves and two fish. He said, “Bring them here to Me.”

By faith, through prayer, present your weakness, your insufficiency, your lack to God. And then, as Jesus, commanded the multitudes to “sit down on the grass,” we too must rest in Him; obey Him; and trust Him, as well.

TRUST GOD TO MEET YOUR NEEDS … EVEN IF IT TAKES A MIRACLE!

Matthew 13:20
So they all ate and were filled, and they took up twelve baskets full of the fragments that remained.”
